User Registration:

User registration on Dhol-Baaje is a simple and secure process. Follow the steps below to create your account and access the exciting features of the DApp:
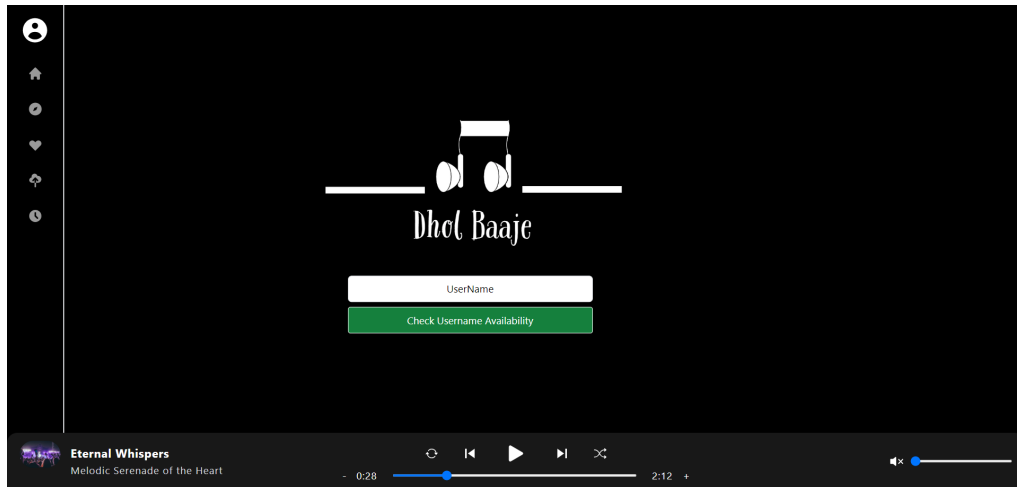

1. **Accessing the Home Page**: Open the Dhol-Baaje application and navigate to the home page. Here, you will find a prominent "Login" button.

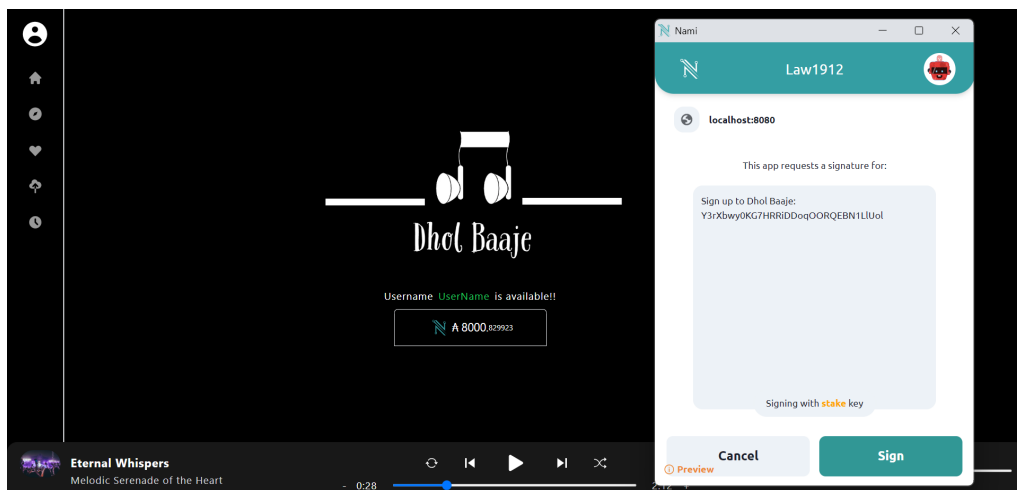

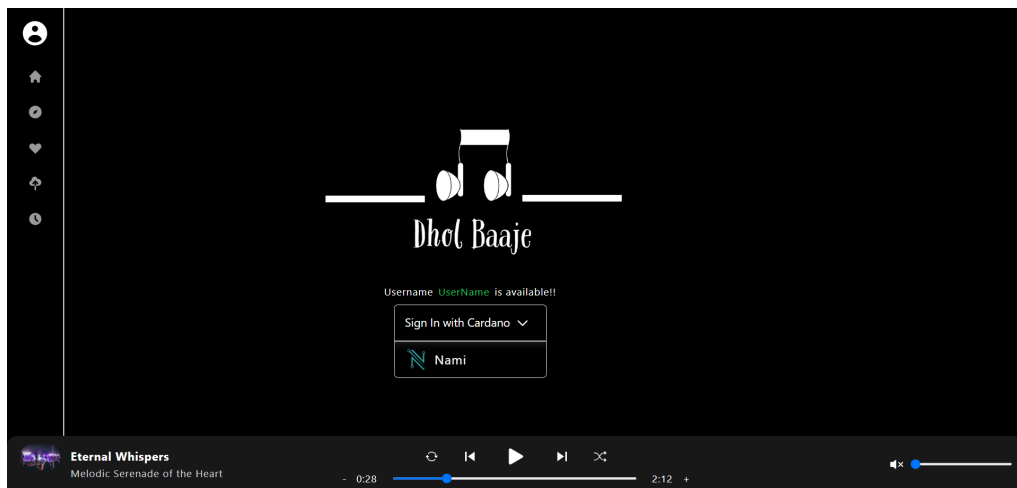

2. **Clicking on the Login Button**: Click on the "Login" button to initiate the authentication process.
3. **Selecting the Sign Up Option**: Once you've clicked on the "Login" button, a menu will appear with various options. Choose the "Sign Up" option to create a new account.
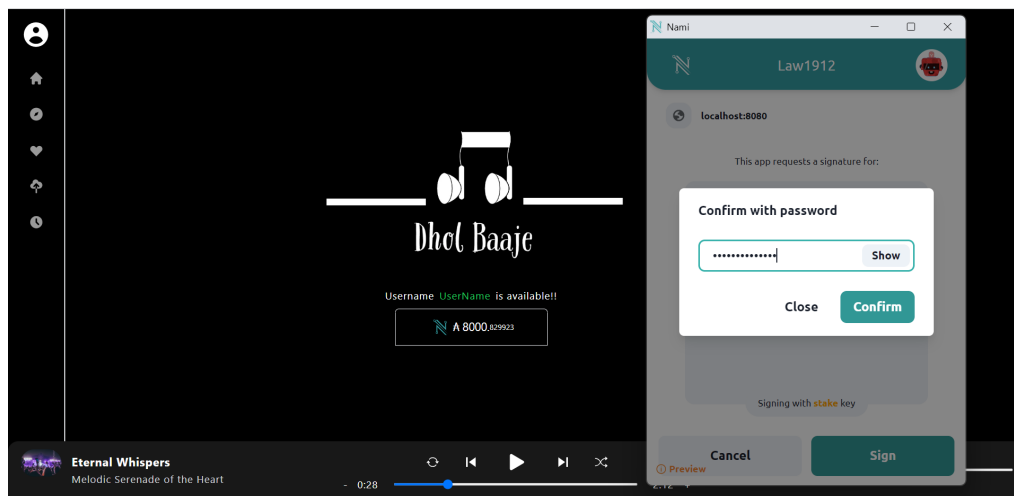

4. **Providing a Preferred Username**: After selecting "Sign Up," you'll be prompted to enter a preferred username. Choose a username that best represents you within the Dhol-Baaje community.

5. **Connecting Nami Wallet**: To proceed, you'll need to connect your Nami Wallet, an integral part of our decentralised system. Click on the relevant button to initiate the connection.

6. **Entering Password on Wallet API**: The Nami Wallet API will prompt you to enter your wallet password for authentication. Input your password securely to complete the connection process.

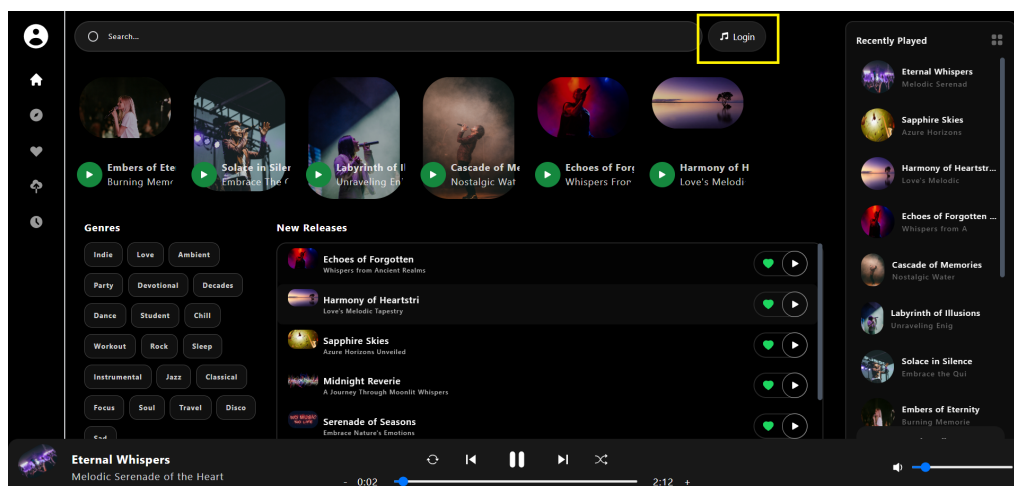

7. **Confirmation and Account Creation**: Once the Nami Wallet is successfully connected and authenticated, your account will be created, and you'll have access to the full range of features and functionalities within Dhol-Baaje.

By following these steps, you'll be able to register on Dhol-Baaje, ensuring a seamless and secure entry into the exciting world of decentralised music experiences.
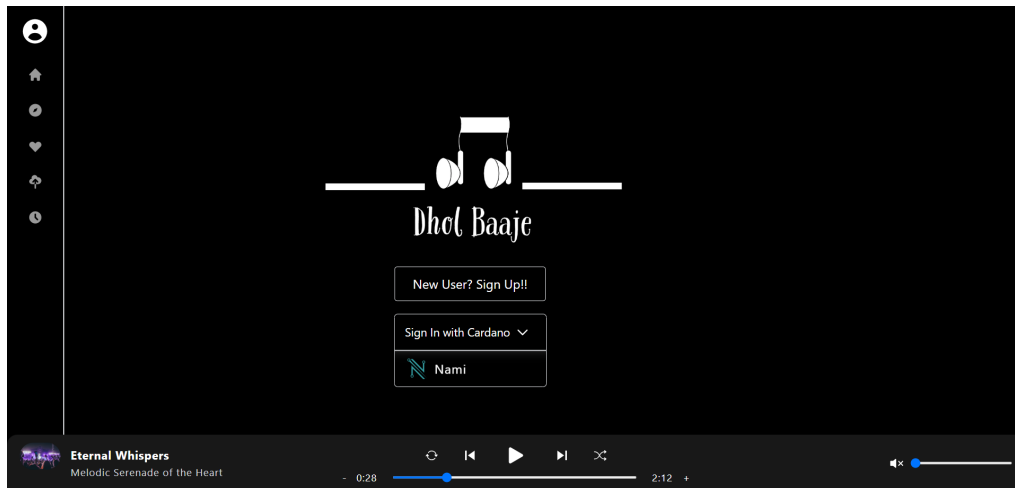

User Login:

The following streamlined process allows already registered users to quickly and securely access their Dhol-Baaje account by connecting their previously associated Nami Wallet and entering the wallet password for authentication.
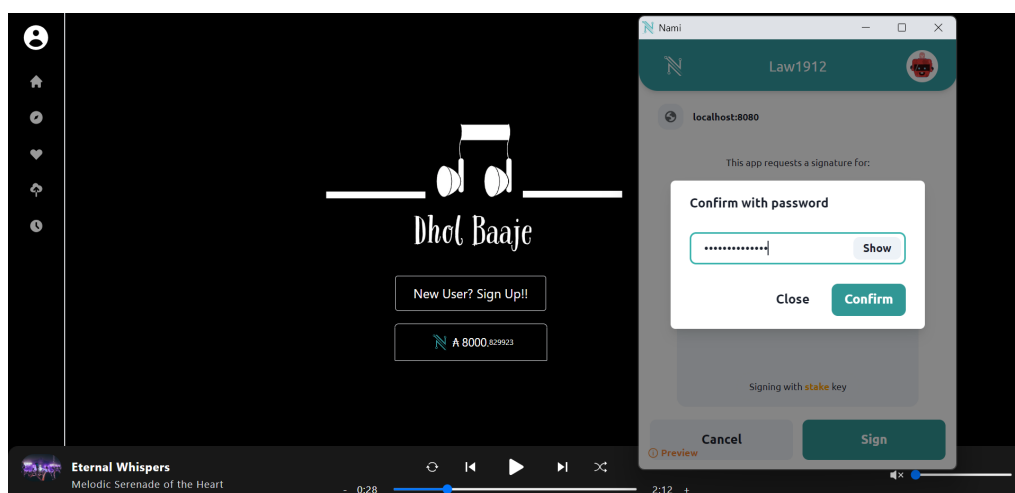

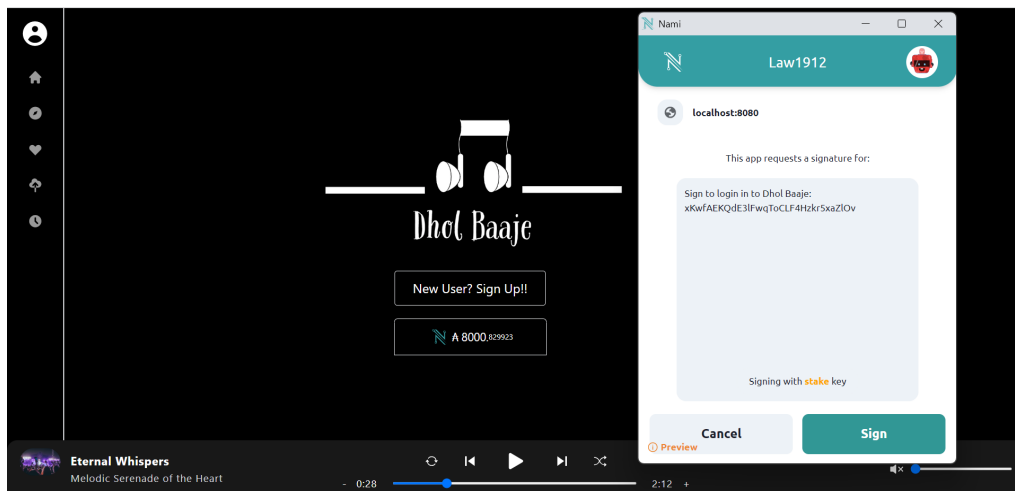

1. **Accessing the Home Page**: Open the Dhol-Baaje application and navigate to the home page. Here, you will find a prominent "Login" button.

2. **Clicking on the Login Button**: Click on the "Login" button to initiate the authentication process.
3. **Connecting Nami Wallet**: If you're already a registered user, you only need to connect the Nami Wallet you used during the registration process. Click on the "Connect Wallet" option.

4. **Entering Password on Wallet API**: The Nami Wallet API will prompt you to enter your wallet password for authentication. Input your password securely to complete the connection process.

5. **Login Confirmation**: After successfully connecting your Nami Wallet, you'll be logged into your account, granting you access to the Dhol-Baaje platform and its features.
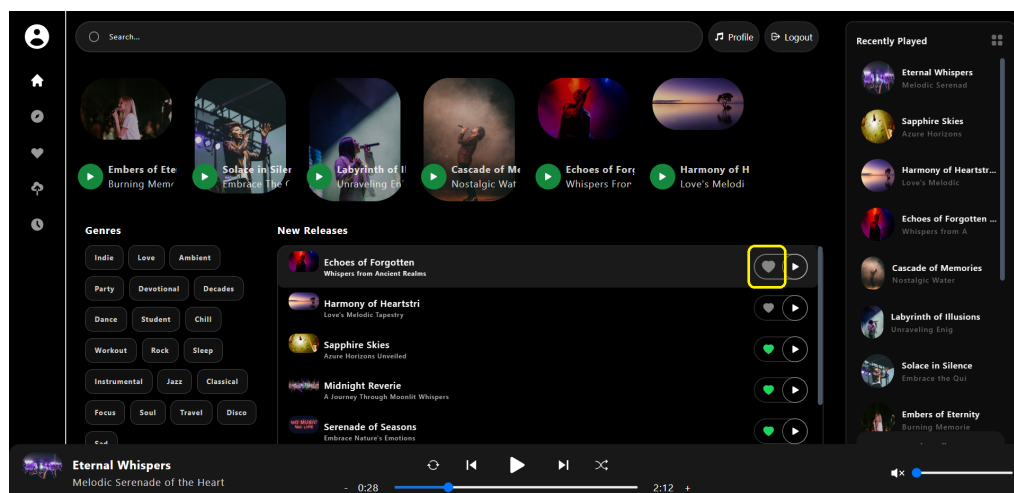

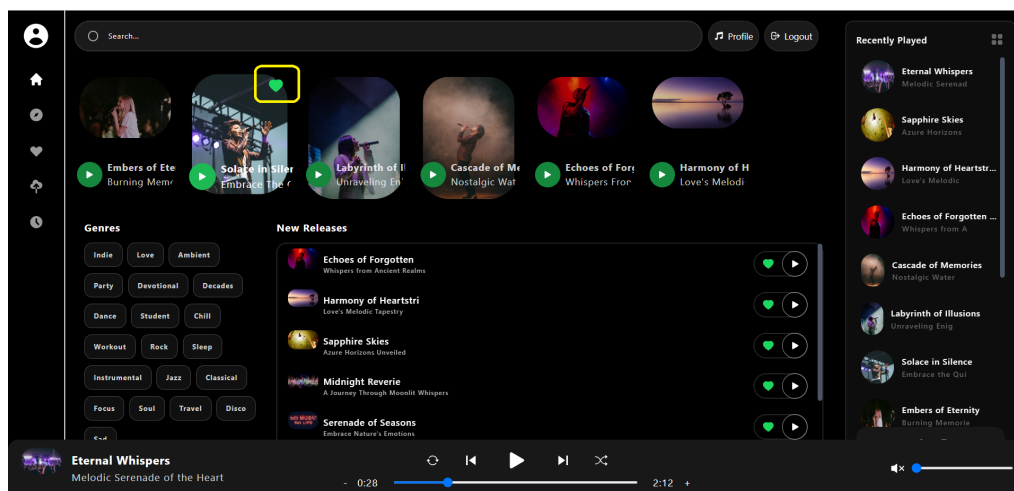

Explore Tracks: Discover Your Sound

Dive into the vibrant world of music in our "Explore Tracks" section. Here, you'll find an array of tracks waiting to be discovered and enjoyed. It's all about your musical journey and your choices. Browse through a curated list of tracks covering various styles and artists. Explore the rich tapestry of musical diversity at your own pace. Explore the beats, rhythms, and melodies that speak to you. Dhol-Baaje is here to be your guide through this musical exploration!
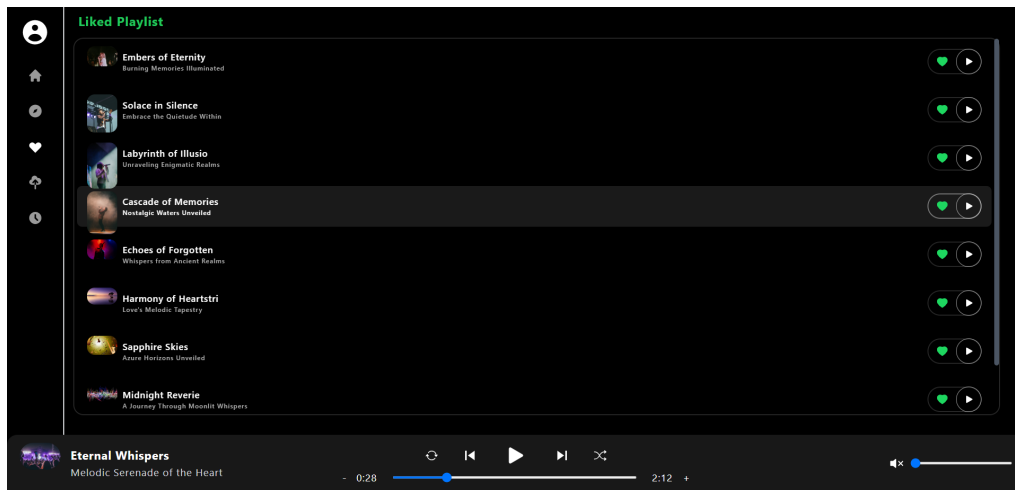

Favourite Tracks: Your Personal Music Collection

In Dhol-Baaje, we understand the importance of a personalised musical collection. With our "Favorite Tracks" feature, you're in control of curating your very own playlist of beloved tunes. Here's how it works:

● **Liking a Track**: Express your love for a track by simply clicking the heart icon on the poster of the desired track. Instantly, the track will be added to your list of favourites.

- **View Your Favourites**: Access your cherished tracks anytime by navigating to the "Favorite Tracks" section. Here, you'll find a neatly organised collection of all the tracks you've liked.

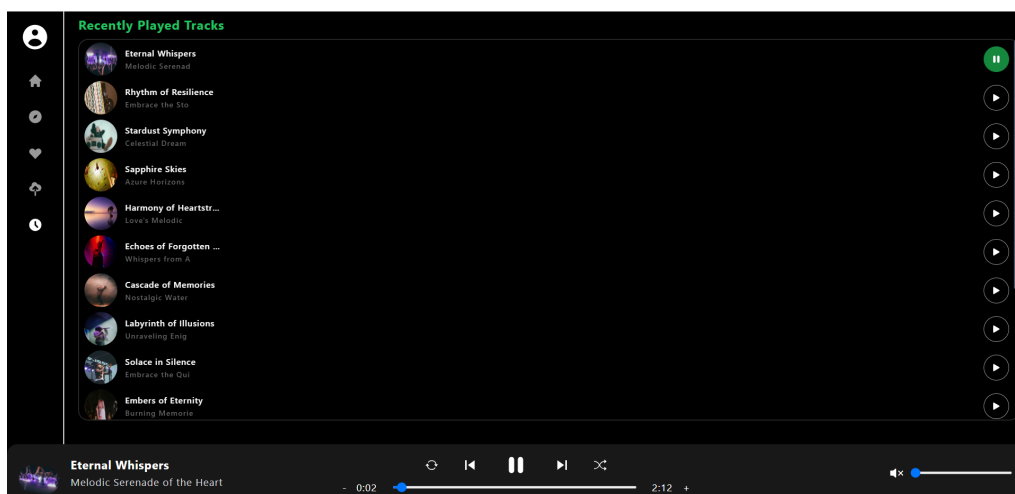

Create your unique playlist of adored melodies, and let your musical journey be guided by the beats that resonate with your heart. Dhol-Baaje is here to elevate your musical experience, one favourite track at a time!

History: Your Musical Journey Revisited

In the enchanting realm of Dhol-Baaje, we believe that every musical journey deserves to be remembered. With our "History" feature, you can reminisce about the melodies that have accompanied you along the way. Here's how it unfolds:

- **Track Playback Records**: Every track you've ever played within Dhol-Baaje is meticulously recorded and displayed in your "History." It's a nostalgic journey through your musical exploration.

- **Easy Access**: Navigate effortlessly through the tracks you've played before. Revisit the tunes that have left a lasting impression on you, all conveniently accessible in one place.

Your musical journey is a story worth retelling. Let the melodies of the past guide you into the harmonious future. Dhol-Baaje is here to celebrate your unique musical narrative!

Upload Tracks: Share Your Musical Masterpiece

At Dhol-Baaje, we celebrate creativity and offer a platform for artists to showcase their musical genius. With our "Upload Tracks" feature, you have the power to share your albums, allowing the world to tune into your melody. Here's how it's done:

- **Track Details**: Provide essential album information such as the album title, subtitle, and any additional details that define your musical project.
- **Lyrics & Genre Selection**: Share the lyrics of your tracks to give your audience a deeper connection with your music. Additionally, choose up to four genres that best represent the essence of your album.
- **Artistic Expression**: Upload the album's cover art image to visually captivate your audience and set the tone for the musical experience.
- **Audio Upload**: Store your album's audio files on our decentralised server, ensuring secure and reliable access for listeners.

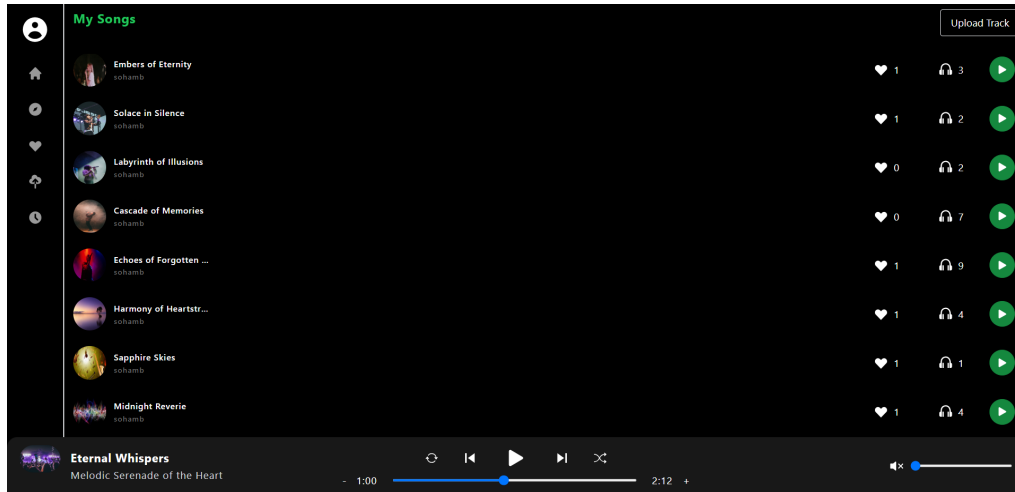

Take the stage, share your passion, and let your music echo through Dhol-Baaje. Your artistic journey begins here, where melodies come to life!

User Profile: Your Musical Portfolio

In the world of Dhol-Baaje, your musical contributions are celebrated. With the "User Profile" feature, you can showcase your artistic journey by displaying the tracks you've uploaded. Here's what you can find:

- **Uploaded Tracks**: Your musical portfolio is on display, showcasing all the tracks you've personally uploaded to Dhol-Baaje. Every creation is a testimony to your musical prowess.

- **Likes and Listens**: Track the reception of your art by viewing the number of likes and listens each of your tracks has garnered. It's a testament to the impact your music has on our community.

Celebrate your creativity and connect with your audience through your personal musical haven. Dhol-Baaje is here to amplify your voice and shine a spotlight on your unique melodies!
